

*Joyous New Year*

The image features the text "Joyous New Year" in a highly decorative, cursive script. The text is split across a horizontal line: the top half is white on a white background, and the bottom half is white on a solid green background. The letters are thick and elegant, with long, sweeping flourishes that extend downwards and outwards, creating a sense of movement and festivity. The overall style is reminiscent of traditional calligraphy or a formal cursive font.
